

LINDA LARSON • COMMISSION FOR WOMEN

Woman of the Year

CONGRATULATIONS

BURCIN MUTLU-PAKDIL

STUDENT WOMAN OF THE YEAR

“Other female and underrepresented students in the Physics Department at UMD look up to Burcin as a role model, and she is a constant reminder to them that anyone can overcome adversity and do what their talents allow them to do.”

MAURA CROWELL

STAFF WOMAN OF THE YEAR

“The way she develops individuals around her is an inspiration to women her age, women in college, and little girls. In addition to making me a better hockey player, Maura gave me the skills to become a successful woman.”

DR. GEORGIA KEENEY

FACULTY WOMAN OF THE YEAR

“She does everything from both her intellect and her heart. Whether she is needed by faculty, staff, administrators or students, she is there with her genteel Southern charm and the inner strength of a lioness.”
